(6) Subject to paragraph (7), if a question arises at a meeting of directors or of a committee of directors as to the right of a director to participate in the meeting (or part of the meeting) for voting or quorum purposes, the question may, before the conclusion of the meeting, be referred to the chairman whose ruling in relation to any director other than the chairman is to be final and conclusive.

B 2437

(7) If any question as to the right to participate in the meeting (or part of the meeting) should arise in respect of the chairman, the question is to be decided by a decision of the directors at that meeting, for which purpose the chairman is not to be counted as participating in the meeting (or that part of the meeting) for voting or quorum purposes.

15. The directors must ensure that the company keeps a record, in writing, for at least 10 years from the date of the decision recorded, of every unanimous or majority decision taken by the directors.

Records of
Decisions to
be Kept.

16. Subject to the articles, the directors may make any rule which they think fit about how they take decisions, and about how such rules are to be recorded or communicated to directors.

(e) by reason of that person's mental health, a court makes an order which wholly or partly prevents that person from personally exercising any powers or rights which that person would otherwise have ;

(f) notification is received by the company from the director that the director is resigning from office, and such resignation has taken effect in accordance with its terms.

19.—(1) Directors may undertake any services for the company that the directors decide.

Directors'

B 2438

(2) Directors are entitled to such remuneration as the company determines—

- (a) for their services to the company as directors, and
- (b) for any other service which they undertake for the company.

(3) Subject to the articles, a director's remuneration may—

- (a) take any form, and
- (b) include any arrangements in connection with the payment of a pension, allowance or gratuity, or any death, sickness or disability benefits, to or in respect of that director.

(4) Unless the directors decide otherwise, directors' remuneration accrues from day to day.

(5) Unless the directors decide otherwise, directors are not accountable to the company for any remuneration which they receive as directors or other officers or employees of the company's subsidiaries or of any other body corporate in which the company is interested.

or otherwise in connection with the exercise of their powers and the discharge of their responsibilities in relation to the company.

ALTERNATE DIRECTORS

Appointment
and Removal
of
Alternates.

21.—(1) Any director (the "appointor") may appoint as an alternate any other director, or any other person approved by resolution of the directors, to—

- (a) exercise that director's powers, and
- (b) carry out that director's responsibilities,

in relation to the taking of decisions by the directors in the absence of the alternate's appointor.

(2) Any appointment or removal of an alternate must be effected by notice in writing to the company signed by the appointor, or in any other manner approved by the directors.

(3) The notice must—

- (a) identify the proposed alternate, and
- (b) in the case of a notice of appointment, contain a statement signed by the proposed alternate that the proposed alternate is willing to act as the alternate of the director giving the notice.

22.—(1) An alternate director has the same rights, in relation to any directors' meeting or directors' written resolution, as the alternate's appointor.

Rights and Responsibilities of Alternate Directors.

(2) Except as the articles specify otherwise, alternate directors—

- (a) are deemed for all purposes to be directors;
- (b) are liable for their own acts and omissions;
- (c) are subject to the same restrictions as their appointors ; and
- (d) are not deemed to be agents of or for their appointors.

(3) A person who is an alternate director but not a director—

(a) may be counted as participating for the purposes of determining whether a quorum is participating (but only if that person's appointor is not participating), and

(b) may sign a written resolution (but only if it is not signed or to be signed by that person's appointor).

No alternate may be counted as more than one director for such purposes.

(4) An alternate director is not entitled to receive any remuneration from the company for serving as an alternate director except such part of the alternate's appointor's remuneration as the appointor may direct by notice in writing made to the company.

23. An alternate director's appointment as an alternate terminates—

Termination of Alternate Directorship.

(a) when the alternate's appointor revokes the appointment by notice to the company in writing specifying when it is to terminate ;

(b) on the occurrence in relation to the alternate of any event which, if it occurred in relation to the alternate's appointor, would result in the termination of the appointor's appointment as a director ;

(c) on the death of the alternate's appointor ; or

(d) when the alternate's appointor's appointment as a director terminates, except that an alternate's appointment as an alternate does not terminate when the appointor retires by rotation at a general meeting and is then re-appointed as a director at the same general meeting.

PART 3—SHARES AND DISTRIBUTIONS

SHARES

24.—(1) No share is to be issued for less than the aggregate of its nominal value and any premium to be paid to the company in consideration for its issue.

All Shares to be fully Issued.

(2) This does not apply to shares taken on the formation of the company by the subscribers to the company's memorandum.

B 2440

Powers to
Issue
Different
Classes of
Share

25.—(1) Subject to the articles, but without prejudice to the rights attached to any existing share, the company may issue shares with such rights or restrictions as may be determined by ordinary resolution.

(2) The company may issue shares which are to be redeemed, or are liable to be redeemed at the option of the company or the holder, subject to such conditions as may be prescribed in the terms of issue or by the articles.

Company
not Bound
by less than
Absolute
Interests.

26. Except as required by law, no person is to be recognised by the company as holding any share upon any trust, and except as otherwise required by law or the articles, the company is not in any way to be bound by or recognise any interest in a share other than the holder's absolute ownership of it and all the rights attaching to it.

Share
Certificates.

27.—(1) The company must issue each shareholder, free of charge, with one or more certificates in respect of the shares which that shareholder holds.

(2) Every certificate must specify—

- (a) in respect of how many shares, of what class, it is issued;
- (b) the nominal value of those shares;
- (c) that the shares are fully paid; and
- (d) any distinguishing numbers assigned to them.

(3) If more than one person holds a share, only one certificate may be issued in respect of it.

(4) Certificates must—

- (a) have affixed to them the company's common seal, or
- (b) be otherwise executed as a deed.

Replacement
Share
Certificates.

28.—(1) If a paper certificate issued in respect of a shareholder's shares is—

- (a) damaged or defaced, or
- (b) said to be lost, stolen or destroyed,

that shareholder is entitled to be issued with a replacement certificate in respect of the same shares.

(2) A shareholder exercising the right to be issued with such a replacement certificate—

- (a) may at the same time exercise the right to be issued with a single certificate or separate certificates ;
- (b) must return the certificate which is to be replaced to the company if it is damaged or defaced ; and
- (c) must comply with such conditions as to evidence, indemnity and the payment of a reasonable fee as the directors decide.

B 2441

PARTLY PAID SHARES

29.—(1) The company has a lien (“the company’s lien”) over every share which is partly paid or any part of—

Company’s
Lien Over
Partly Paid
Shares.

- (a) that share’s nominal value, and
- (b) any premium at which it was issued,

which has not been paid to the company, and which is payable immediately or at some time in the future, whether or not a call notice has been sent in respect of it.

(2) The company’s lien over a share—

- (a) takes priority over any third party’s interest in that share, and
- (b) extends to any dividend or other money payable by the company in respect of that share and (if the lien is enforced and the share is sold by the company) the proceeds of sale of that share.

(3) The directors may at any time decide that a share which is or would otherwise be subject to the company’s lien shall not be subject to it, either wholly or in part.

30.—(1) Subject to the provisions of this article, if—

Enforcement
of the
Company’s
Lien.

- (a) a lien enforcement notice has been given in respect of a share, and
- (b) the person to whom the notice was given has failed to comply with it, the company may sell that share in such manner as the directors decide.

(2) A lien enforcement notice—

- (a) may only be given in respect of a share which is subject to the company’s lien, in respect of which a sum is payable and the due date for payment of that sum has passed ;
- (b) must specify the share concerned ;
- (c) must require payment of the sum payable within 14 days of the notice ;
- (d) must be addressed either to the holder of the share or to a person entitled to it by reason of the holder’s death, bankruptcy or otherwise ; and
- (e) must state the company’s intention to sell the share if the notice is not complied with.

(3) Where shares are sold under this article—

- (a) the directors may authorise any person to execute an instrument of transfer of the shares to the purchaser or a person nominated by the purchaser, and
- (b) the transferee is not bound to see to the application of the consideration, and the transferee’s title is not affected by any irregularity in or invalidity of the process leading to the sale.

(4) The net proceeds of any such sale (after payment of the costs of sale and any other costs of enforcing the lien) must be applied—

(a) first, in payment of so much of the sum for which the lien exists as was payable at the date of the lien enforcement notice,

(b) second, to the person entitled to the shares at the date of the sale, but only after the certificate for the shares sold has been surrendered to the company for cancellation or a suitable indemnity has been given for any lost certificates, and subject to a lien equivalent to the company's lien over the shares before the sale for any money payable in respect of the shares after the date of the lien enforcement notice.

(5) A statutory declaration by a director or the company secretary that the declarant is a director or the company secretary and that a share has been sold to satisfy the company's lien on a specified date—

(a) is conclusive evidence of the facts stated in it as against all persons claiming to be entitled to the share, and

(b) subject to compliance with any other formalities of transfer required by the articles or by law, constitutes a good title to the share.

Call Notices.

31.—(1) Subject to the articles and the terms on which shares are allotted, the directors may send a notice (a “call notice”) to a member requiring the member to pay the company a specified sum of money (a “call”) which is payable in respect of shares which that member holds at the date when the directors decide to send the call notice.

(2) A call notice—

(a) may not require a member to pay a call which exceeds the total sum unpaid on that member's shares (whether as to the share's nominal value or any amount payable to the company by way of premium) ;

(b) must state when and how any call to which it relates it is to be paid ; and

(c) may permit or require the call to be paid by instalments.

(3) A member must comply with the requirements of a call notice, but no member is obliged to pay any call before 14 days have passed since the notice was sent.

(4) Before the company has received any call due under a call notice the directors may—

(a) revoke it wholly or in part, or

(b) specify a later time for payment than is specified in the notice, by a further notice in writing to the member in respect of whose shares the call is made.

B 2443

32.—(1) Liability to pay a call is not extinguished or transferred by transferring the shares in respect of which it is required to be paid.

Liability to
Pay Calls.

(2) Joint holders of a share are jointly and severally liable to pay all calls in respect of that share.

(3) Subject to the terms on which shares are allotted, the directors may, when issuing shares, provide that call notices sent to the holders of those shares may require them—

- (a) to pay calls which are not the same, or
- (b) to pay calls at different times.

33.—(1) A call notice need not be issued in respect of sums which are specified, in the terms on which a share is issued, as being payable to the company in respect of that share (whether in respect of nominal value or premium)—

When Call
Notice Need
Not be
Issued.

- (a) on allotment ;
- (b) on the occurrence of a particular event ; or
- (c) on a date fixed by or in accordance with the terms of issue.

(2) But if the due date for payment of such a sum has passed and it has not been paid, the holder of the share concerned is treated in all respects as having failed to comply with a call notice in respect of that sum, and is liable to the same consequences as regards the payment of interest and forfeiture.

34.—(1) If a person is liable to pay a call and fails to do so by the call payment date—

Failure to
Comply
with Call
Notice:
Automatic
Consequences

- (a) the directors may issue a notice of intended forfeiture to that person, and
- (b) until the call is paid, that person must pay the company interest on the call from the call payment date at the relevant rate.

(2) For the purposes of this article—

(a) the “call payment date” is the time when the call notice states that a call is payable, unless the directors give a notice specifying a later date, in which case the “call payment date” is that later date ;

(b) the “relevant rate” is—

(i) the rate fixed by the terms on which the share in respect of which the call is due was allotted ;

(ii) such other rate as was fixed in the call notice which required payment of the call, or has otherwise been determined by the directors ; or

(iii) if no rate is fixed in either of these ways, the prevailing interest rate as set by the Monetary Policy Committee of the Central Bank of Nigeria.

B 2444

(3) The directors may waive any obligation to pay interest on a call wholly or in part.

Notice of
Intended
Forfeiture.

35. A notice of intended forfeiture—

(a) may be sent in respect of any share in respect of which a call has not been paid as required by a call notice ;

(b) must be sent to the holder of that share or to a person entitled to it by reason of the holder's death, bankruptcy or otherwise ;

(c) must require payment of the call and any accrued interest by a date which is not less than 14 days after the date of the notice ;

(d) must state how the payment is to be made ; and

(e) must state that if the notice is not complied with, the shares in respect of which the call is payable will be liable to be forfeited.

Directors'
Power to
Forfeit
Shares.

36. If a notice of intended forfeiture is not complied with before the date by which payment of the call is required in the notice of intended forfeiture, the directors may decide that any share in respect of which it was given is forfeited, and the forfeiture is to include all dividends or other moneys payable in respect of the forfeited shares and not paid before the forfeiture.

Effect of
Forfeiture.

37.—(1) Subject to the articles, the forfeiture of a share extinguishes—

(a) all interests in that share, and all claims and demands against the company in respect of it, and

(b) all other rights and liabilities incidental to the share as between the person whose share it was prior to the forfeiture and the company.

(2) Any share which is forfeited in accordance with the articles—

(a) is deemed to have been forfeited when the directors decide that it is forfeited ;

(b) is deemed to be the property of the company ; and

(c) may be sold, re-allotted or otherwise disposed of as the directors think fit.

(3) If a person's shares have been forfeited—

(a) the company must send that person notice that forfeiture has occurred and record it in the register of members ;

(b) that person ceases to be a member in respect of those shares ;

(c) that person must surrender the certificate for the shares forfeited to the company for cancellation ;

(d) that person remains liable to the company for all sums payable by that person under the articles at the date of forfeiture in respect of those shares provided that his liability ceases when the company receives payment in full of all money in respect of the shares ; and

(e) the directors may waive payment of such sums wholly or in part or enforce payment without any allowance for the value of the shares at the time of forfeiture or for any consideration received on their disposal.

B 2445

(4) At any time before the company disposes of a forfeited share, the directors may decide to cancel the forfeiture on payment of all calls and interest due in respect of it and on such other terms as they think fit.

38.—(1) If a forfeited share is to be disposed of by being transferred, the company may receive the consideration for the transfer and the directors may authorise any person to execute the instrument of transfer.

Procedure
Following
Forfeiture.

(2) A statutory declaration by a director or the company secretary that the declarant is a director or the company secretary and that a share has been forfeited on a specified date—

(a) is conclusive evidence of the facts stated in it as against all persons claiming to be entitled to the share, and

(b) subject to compliance with any other formalities of transfer required by the articles or by law, constitutes a good title to the share.

(3) A person to whom a forfeited share is transferred is not bound to see to the application of the consideration (if any) nor is that person's title to the share affected by any irregularity in or invalidity of the process leading to the forfeiture or transfer of the share.

(4) If the company sells a forfeited share, the person who held it prior to its forfeiture is entitled to receive from the company the proceeds of such sale, net of any commission, and excluding any amount which—

(a) was, or would have become, payable, and

(b) had not, when that share was forfeited, been paid by that person in respect of that share, but no interest is payable to such a person in respect of such proceeds and the company is not required to account for any money earned on them.

39.—(1) A member may surrender any share—

(a) in respect of which the directors may issue a notice of intended forfeiture;
(b) which the directors may forfeit; or
(c) which has been forfeited.

Surrender
of Shares

(2) The directors may accept the surrender of any such share.

(3) The effect of surrender on a share is the same as the effect of forfeiture on that share.

(4) A share which has been surrendered may be dealt with in the same way as a share which has been forfeited.

40.—(1) Shares may be transferred by means of an instrument of transfer in any usual form or any other form approved by the directors, which is executed by or on behalf of the transferor.

Share
Transfers.

(2) No fee may be charged for registering any instrument of transfer or other document relating to or affecting the title to any share.

B 2446

(3) The company may retain any instrument of transfer which is registered.

(4) The transferor remains the holder of a share until the transferee's name is entered in the register of members as holder of it.

(5) The directors may refuse to register the transfer of a share (not being a fully paid share) to a person of whom they do not approve, and may also refuse to register the transfer of a share on which the company has a lien.

Transmission
of Shares.

41.—(1) If title to a share passes to a transmittee, the company may only recognise the transmittee as having any title to that share.

(2) A transmittee who produces such evidence of entitlement to shares as the directors may properly require—

(a) may, subject to the articles, choose either to become the holder of those shares or to have them transferred to another person, and

(b) subject to the articles, and pending any transfer of the shares to another person, has the same rights as the holder had.

(3) But transmittees do not have the right to attend or vote at a general meeting, or agree to a proposed written resolution, in respect of shares to which they are entitled, by reason of the holder's death or bankruptcy or otherwise, unless they become the holders of those shares.

Exercise of
Transmittees'
Rights.

42.—(1) Transmittees who wish to become the holders of shares to which they have become entitled must notify the company in writing of that wish.

(2) If the transmittee wishes to have a share transferred to another person, the transmittee must execute an instrument of transfer in respect of it.

(3) Any transfer made or executed under this article is to be treated as if it were made or executed by the person from whom the transmittee has derived rights in respect of the share, and as if the event which gave rise to the transmission had not occurred.

Transmittees
Bound by
Prior
Notices.

43. If a notice is given to a shareholder in respect of shares and a transmittee is entitled to those shares, the transmittee is bound by the notice if it was given to the shareholder before the transmittee's name has been entered in the register of members.

DIVIDENDS AND OTHER DISTRIBUTIONS

Procedure
for Declaring
Dividends.

44.—(1) The company may by ordinary resolution declare dividends, and the directors may decide to pay interim dividends.

(2) A dividend must not be declared unless the directors have made a recommendation as to its amount. Such a dividend must not exceed the amount recommended by the directors.

B 2447

(3) No dividend may be declared or paid unless it is in accordance with shareholders' respective rights.

(4) Unless the shareholders' resolution to declare or directors' decision to pay a dividend, or the terms on which shares are issued, specify otherwise, it must be paid by reference to each shareholder's holding of shares on the date of the resolution or decision to declare or pay it.

(5) If the company's share capital is divided into different classes, no interim dividend may be paid on shares carrying deferred or non-preferred rights if, at the time of payment, any preferential dividend is in arrear.

(6) The directors may pay at intervals any dividend payable at a fixed rate if it appears to them that the profits available for distribution justify the payment.

(7) If the directors act in good faith, they do not incur any liability to the holders of shares conferring preferred rights for any loss they may suffer by the lawful payment of an interim dividend on shares with deferred or non-preferred rights.

45.—(1) Where a dividend or other sum which is a distribution is payable in respect of a share, it must be paid by one or more of the following means—

Payment of
Dividends
and Other
Distributions.

(a) transfer to a bank specified by the distribution recipient either in writing or as the directors may otherwise decide ;

(b) sending a cheque made payable to the distribution recipient by post to the distribution recipient at the distribution recipient's registered address (if the distribution recipient is a holder of the share), or (in any other case) to an address specified by the distribution recipient either in writing or as the directors may otherwise decide ;

(c) sending a cheque made payable to such person by post to such person at such address as the distribution recipient has specified either in writing or as the directors may otherwise decide ; or

(d) any other means of payment as the directors agree with the distribution recipient either in writing or by such other means as the directors decide.

(2) In the articles, "the distribution recipient" means, in respect of a share in respect of which a dividend or other sum is payable—

(a) the holder of the share ; or

(b) if the share has two or more joint holders, whichever of them is named first in the register of members ; or

(c) if the holder is no longer entitled to the share by reason of death or bankruptcy, or otherwise by operation of law, the transmittee.

B 2448

No Interest
on
Distributions.

46. The company may not pay interest on any dividend or other sum payable in respect of a share unless otherwise provided by—

- (a) the terms on which the share was issued, or
- (b) the provisions of another agreement between the holder of that share and the company.

Unclaimed
Distributions.

47.—(1) All dividends or other sums which are—

- (a) payable in respect of shares, and
- (b) unclaimed after having been declared or become payable,

may be invested or otherwise made use of by the directors for the benefit of the company in accordance with the provisions of section 429 of the Act.

(2) The payment of any such dividend or other sum into a separate account does not make the company a trustee in respect of it.

(3) If—

- (a) twelve years have passed from the date on which a dividend or other sum became due for payment, and
- (b) the distribution recipient has not claimed it,

the distribution recipient is no longer entitled to that dividend or other sum and it ceases to remain owing by the company and should be included in the report that should be submitted to the other shareholders of the company.

Non-Cash
Distributions.

48.— Subject to the terms of issue of the share in question, the company may, by ordinary resolution on the recommendation of the directors, decide to pay all or part of a dividend or other distribution payable in respect of a share by transferring non-cash assets of equivalent value (including, without limitation, shares or other securities in any company).

Waiver of
Distributions.

49. Distribution recipients may waive their entitlement to a dividend or other distribution payable in respect of a share by giving the company notice in writing to that effect, but if—

- (a) the share has more than one holder, or
- (b) more than one person is entitled to the share, whether by reason of the death or bankruptcy of one or more joint holders, or otherwise,

the notice is not effective unless it is expressed to be given, and signed, by all the holders or persons otherwise entitled to the share.

CAPITALISATION OF PROFITS

50.—(1) Subject to the articles, the directors may, if they are so authorised by an ordinary resolution—

Authority to Capitalise and Appropriation of Capitalised Sums.

(a) decide to capitalise any profits of the company (whether or not they are available for distribution) which are not required for paying a preferential dividend, or any sum standing to the credit of the company's share premium account or capital redemption reserve ; and

(b) appropriate any sum which they so decide to capitalise (a “capitalised sum”) to the persons who would have been entitled to it if it were distributed by way of dividend (the “persons entitled”) and in the same proportions.

(2) Capitalised sums must be applied—

(a) on behalf of the persons entitled, and

(b) in the same proportions as a dividend would have been distributed to them.

(3) Any capitalised sum may be applied in paying up new shares of a nominal amount equal to the capitalised sum which are then allotted credited as fully paid to the persons entitled or as they may direct.

(4) A capitalised sum which was appropriated from profits available for distribution may be applied in paying up new debentures of the company which are then allotted credited as fully paid to the persons entitled or as they may direct.

(5) Subject to the articles the directors may—

(a) apply capitalised sums in accordance with paragraphs (3) and (4) partly in one way and partly in another ;

(b) make such arrangements as they think fit to deal with shares or debentures becoming distributable in fractions under this article (including the issuing of fractional certificates or the making of cash payments) ; and

(c) authorise any person to enter into an agreement with the company on behalf of all the persons entitled which is binding on them in respect of the allotment of shares and debentures to them under this article.

PART 4—DECISION-MAKING BY SHAREHOLDERS

ORGANISATION OF GENERAL MEETINGS

51.—(1) A person is able to exercise the right to speak at a general meeting when that person is in a position to communicate to all those attending the meeting, during the meeting, any information or opinions which that person has on the business of the meeting.

Attendance and Speaking at General Meetings.

(2) A person is able to exercise the right to vote at a general meeting when—

B 2450

a) that person is able to vote, during the meeting, on resolutions put to the vote at the meeting, and

(b) that person's vote can be taken into account in determining whether or not such resolutions are passed at the same time as the votes of all the other persons attending the meeting.

(3) The directors may make whatever arrangements they consider appropriate to enable those attending a general meeting to exercise their rights to speak or vote at it.

(4) In determining attendance at a general meeting, it is immaterial whether any two or more members attending it are in the same place as each other.

(5) Two or more persons who are not in the same place as each other attend a general meeting if their circumstances are such that if they have (or were to have) rights to speak and vote at that meeting, they are (or would be) able to exercise them.

Chairing
General
Meetings.

52.—(1) If the directors have appointed a chairman, the chairman shall chair general meetings if present and willing to do so.

(2) If the directors have not appointed a chairman, or if the chairman is unwilling to chair the meeting or is not present within one hour of the time at which a meeting was due to start—

(a) the directors present, or

(b) (if no directors are present), the meeting,

must appoint a director or shareholder to chair the meeting, and the appointment of the chairman of the meeting must be the first business of the meeting.

(3) The person chairing a meeting in accordance with this article is referred to as “the chairman of the meeting”.

Attendance
and Speaking
by Directors
and Non-
Shareholders.

53.—(1) Directors may attend and speak at general meetings, whether or not they are shareholders.

(2) The chairman of the meeting may permit other persons who are not—

(a) shareholders of the company, or

(b) otherwise entitled to exercise the rights of shareholders in relation to general meetings, to attend and speak at a general meeting.

Adjournment.

54.—(1) If the persons attending a general meeting within one hour of the time at which the meeting was due to start do not constitute a quorum, or if during a meeting a quorum ceases to be present due to some shareholders leaving for what appears to the chairman to be sufficient reasons, the meeting shall be adjourned.

B 2451

(2) The chairman of the meeting may adjourn a general meeting at which a quorum is present if—

- (a) the meeting consents to an adjournment, or
- (b) it appears to the chairman of the meeting that an adjournment is necessary to protect the safety of any person attending the meeting or ensure that the business of the meeting is conducted in an orderly manner.

(3) The chairman of the meeting must adjourn a general meeting if directed to do so by the meeting.

(4) When adjourning a general meeting, the chairman of the meeting must—

- (a) either specify the time and place to which it is adjourned or state that it is to continue at a time and place to be fixed by the directors, and

(2) A special resolution to be proposed at a general meeting may be amended by ordinary resolution, if—

(a) the chairman of the meeting proposes the amendment at the general meeting at which the resolution is to be proposed, and

(b) the amendment does not go beyond what is necessary to correct a grammatical or other non-substantive error in the resolution.

(3) If the chairman of the meeting, acting in good faith, wrongly decides that an amendment to a resolution is out of order, the chairman's error does not invalidate the vote on that resolution.

DIRECTORS’ POWERS AND RESPONSIBILITIES

3. Subject to the articles, the directors are responsible for the management

Directors’
General
Authority.

4.—(1) The members may, by special resolution, direct the directors to
take, or refrain from taking, specified action.

B 2460

Committees. 6.—(1) Committees to which the directors delegate any of their powers must follow procedures which are based as far as they are applicable on those provisions of the articles which govern the taking of decisions by directors.

(2) The directors may make rules of procedure for all or any committees, which prevail over rules derived from the articles if they are not consistent with them.

DECISION-MAKING BY DIRECTORS

Directors to
Take
Decisions
Collectively. 7.—(1) The general rule about decision-making by directors is that any decision of the directors must be either a majority decision at a meeting or a decision taken in accordance with article 8.

(2) If—

(a) the company only has one director, and

(b) no provision of the articles requires it to have more than one director, the general rule does not apply, and the director may take decisions without regard to any of the provisions of the articles relating to directors' decision-making.

Unanimous
Decisions. 8.—(1) A decision of the directors is taken in accordance with this article when all eligible directors indicate to each other by any means that they share a common view on a matter.

(2) Such a decision may take the form of a resolution in writing, copies of which have been signed by each eligible director or to which each eligible director has otherwise indicated agreement in writing.

(3) References in this article to eligible directors are to directors who would have been entitled to vote on the matter had it been proposed as a resolution at a directors' meeting.

(4) A decision may not be taken in accordance with this article if the eligible directors would not have formed a quorum at such a meeting.

Calling a
Directors'
Meeting. 9.—(1) Any director may call a directors' meeting by giving notice of the meeting to the directors or by authorising the company secretary (if any) to give such notice.

(2) Notice of any directors' meeting must indicate—

(a) its proposed date and time ;

(c) if it is anticipated that directors participating in the meeting will not be in the same place, how it is proposed that they should communicate with each other during the meeting.

(3) Notice of a directors' meeting must be given to each director.

B 2461

10.—(1) Subject to the articles, directors participate in a directors' meeting, or part of a directors' meeting, when—

Participation
in Directors'
Meetings.

(a) the meeting has been called and takes place in accordance with the articles, and

(b) they can each communicate to the others any information or opinions they have on any particular item of the business of the meeting.

(2) In determining whether directors are participating in a directors' meeting, it is irrelevant where any director is or how they communicate with each other.

(3) If all the directors participating in a meeting are not in the same place, they may decide that the meeting is to be treated as taking place wherever any of them is.

11.—(1) At a directors' meeting, unless a quorum is participating, no proposal is to be voted on, except a proposal to call another meeting.

12.—(1) The directors may appoint a director to chair their meetings.

Chairing of
Directors'
Meetings.

(2) The person so appointed for the time being is known as the chairman.

(3) The directors may terminate the chairman's appointment at any time.

(4) If the chairman is not participating in a directors' meeting within five minutes of the time at which it was to start, the participating directors must appoint one of themselves to chair it.

13.—(1) If the numbers of votes for and against a proposal are equal, the chairman or other director chairing the meeting has a casting vote.

Casting Vote.

(2) But this does not apply if, in accordance with the articles, the chairman or other director is not to be counted as participating in the decision-making process for quorum or voting purposes.

Conflicts of
Interest.

14.—(1) If a proposed decision of the directors is concerned with an actual or proposed transaction or arrangement with the company in which a director is interested, that director is not to be counted as participating in the decision-making process for quorum or voting purposes.

(2) But if paragraph (3) applies, a director who is interested in an actual or proposed transaction or arrangement with the company is to be counted as participating in the decision-making process for quorum and voting purposes.

(3) This paragraph applies when—

(a) the company by ordinary resolution disapplies the provision of the articles which would otherwise prevent a director from being counted as participating in the decision-making process ;

(b) the director's interest cannot reasonably be regarded as likely to give rise to a conflict of interest ; or

(c) the director's conflict of interest arises from a permitted cause.

(4) For the purposes of this article, the following are permitted causes—

(a) a guarantee given, or to be given, by or to a director in respect of an obligation incurred by or on behalf of the company or any of its subsidiaries ;

(c) arrangements pursuant to which benefits are made available to employees and directors or former employees and directors of the company or any of its subsidiaries which do not provide special benefits for directors or former directors.

(5) For the purposes of this article, references to proposed decisions and decision-making processes include any directors' meeting or part of a directors' meeting.

(6) Subject to paragraph (7), if a question arises at a meeting of directors or of a committee of directors as to the right of a director to participate in the meeting (or part of the meeting) for voting or quorum purposes, the question may, before the conclusion of the meeting, be referred to the chairman whose ruling in relation to any director other than the chairman is to be final and conclusive.

(7) If any question as to the right to participate in the meeting (or part of the meeting) should arise in respect of the chairman, the question is to be decided by a decision of the directors at that meeting, for which purpose the chairman is not to be counted as participating in the meeting (or that part of the meeting) for voting or quorum purposes.

15. The directors must ensure that the company keeps a record, in writing, for at least 10 years from the date of the decision recorded, of every unanimous or majority decision taken by the directors.

Records of
Decisions to
be Kept.

16. Subject to the articles, the directors may make any rule which they think fit about how they take decisions, and about how such rules are to be recorded or communicated to directors.

(b) containing the same information which such notice is required to contain.

(6) No business may be transacted at an adjourned general meeting which could not properly have been transacted at the meeting if the adjournment had not taken place.

(7) No notice need be given of a poll not taken immediately if the time and place at which it is to be taken are announced at the meeting at which it is demanded.

(8) In any other case, at least 7 days' notice must be given specifying the time and place at which the poll is to be taken.

Content of
Proxy

(c) is signed by or on behalf of the member appointing the proxy, or is authenticated in such manner as the directors may determine ; and

(d) is delivered to the company in accordance with the articles and any instructions contained in the notice of the general meeting to which they relate.

(2) The company may require proxy notices to be delivered in a particular form, and may specify different forms for different purposes.

(3) Proxy notices may specify how the proxy appointed under them is to vote (or that the proxy is to abstain from voting) on one or more resolutions.

(4) Unless a proxy notice indicates otherwise, it must be treated as—

(a) allowing the person appointed under it as a proxy discretion as to how to vote on any ancillary or procedural resolutions put to the meeting, and

(b) appointing that person as a proxy in relation to any adjournment of the general meeting to which it relates as well as the meeting itself.

37.—(1) Any notice of a general meeting must specify the address or addresses (“proxy notification address”) at which the company or its agents will receive proxy notices relating to that meeting, or any adjournment of it, delivered in hard copy or electronic form.

Delivery of
Proxy
Notices.

Amendments
to
Resolutions.

38.—(1) An ordinary resolution to be proposed at a general meeting may be amended by ordinary resolution if —

(a) notice of the proposed amendment is given to the company secretary in writing by a person entitled to vote at the general meeting at which it is to be proposed not less than 48 hours before the meeting is to take place (or such later time as the chairman of the meeting may determine), and

RESTRICTIONS ON MEMBERS' RIGHTS

No Voting of
Shares on

39. No voting rights attached to a share may be exercised at any general meeting, at any adjournment of it, or on any poll called at or in relation to it, unless all amounts payable to the company in respect of that share have been paid.

APPLICATION OF RULES TO CLASS MEETINGS

Class
Meetings.

40. The provisions of the articles relating to general meetings apply, with any necessary modifications, to meetings of the holders of any class of shares.

PART 4—SHARES AND DISTRIBUTIONS

ISSUE OF SHARES

Powers to
Issue
Different
Classes of
Share.

41.—(1) Subject to the articles, but without prejudice to the rights attached to any existing share, the company may issue shares with such rights or restrictions as may be determined by ordinary resolution.

(2) The company may issue shares which are to be redeemed, or are liable to be redeemed at the option of the company or the holder, and the directors may determine the terms, conditions and manner of redemption of any such shares.

- (a) subscribing, or agreeing to subscribe, for shares, or
- (b) procuring, or agreeing to procure, subscriptions for shares.

INTERESTS IN SHARES

43. Except as required by law, no person is to be recognised by the company as holding any share upon any trust, and except as otherwise required by law or the articles, the company is not in any way to be bound by or recognise any interest in a share other than the holder's absolute ownership of it and all the rights attaching to it.

Company not Bound by Less than Absolute Interests.

SHARE CERTIFICATES

44.—(1) The company must issue each member with one or more certificates in respect of the shares which that member holds.

Certificates to be Issued Except in Certain Cases.

(2) This article does not apply to—

- (a) uncertificated shares, or
- (b) shares in respect of which the Act permit the company not to issue a certificate.

(3) Except as otherwise specified in the articles, all certificates must be issued free of charge.

(4) If more than one person holds a share, only one certificate may be issued in respect of it.

45.—(1) Every certificate must specify—

Contents and Execution of Share Certificates.

- (a) in respect of how many shares, of what class, it is issued ;
- (b) the nominal value of those shares ;
- (c) the amount paid up on them ; and
- (d) any distinguishing numbers assigned to them.

(2) Certificates must—

- (a) have affixed to them the company's common seal (if any), or
- (b) be otherwise executed in accordance with the Act.

46.—(1) When a member's holding of shares of a particular class increases, the company may issue that member with—

Consolidated Share Certificates.

- (a) a single, consolidated certificate in respect of all the shares of a particular class which that member holds, or

b) a separate certificate in respect of only those shares by which that member's holding has increased.

(2) When a member's holding of shares of a particular class is reduced, the company must ensure that the member is issued with one or more certificates in respect of the number of shares held by the member after that reduction. But the company need not (in the absence of a request from the member) issue any new certificate if—

(a) all the shares which the member no longer holds as a result of the reduction, and

(b) none of the shares which the member retains following the reduction, were, immediately before the reduction, represented by the same certificate.

(3) A member may request the company, in writing, to replace—

(a) the member's separate certificates with a consolidated certificate, or

(b) the member's consolidated certificate with two or more separate certificates representing such proportion of the shares as the member may specify.

(4) When the company complies with such a request it may charge such reasonable fee as the directors may decide for doing so.

(5) A consolidated certificate must not be issued unless any certificates which it is to replace have first been returned to the company for cancellation.

Replacement
Share
Certificates.

47.—(1) If a physical certificate issued in respect of a member's shares is—

(a) damaged or defaced, or

(b) said to be lost, stolen or destroyed,

that member is entitled to be issued with a replacement certificate in respect of the same shares.

(2) A member exercising the right to be issued with such a replacement certificate—

(a) may at the same time exercise the right to be issued with a single certificate or separate certificates ;

(b) must return the certificate which is to be replaced to the company if it is damaged or defaced ; and

(c) must comply with such conditions as to evidence, indemnity and the payment of a reasonable fee as the directors decide.

SHARES NOT HELD IN CERTIFICATED FORM

Uncertificated
Shares.

48.—(1) In this article, "the relevant rules" means—

(a) any applicable provision of the Act about the holding, evidencing of title to, or transfer of shares other than in certificated form, and

B 2491

(b) any applicable legislation, rules or other arrangements made under or by virtue of such provision.

(2) The provisions of this article have effect subject to the relevant rules.

(3) Any provision of the articles which is inconsistent with the relevant rules must be disregarded, to the extent that it is inconsistent, whenever the relevant rules apply.

(4) Any share or class of shares of the company may be issued or held on such terms, or in such a way, that—

(a) title to it or them is not, or must not be, evidenced by a certificate, or

(b) it or they may or must be transferred wholly or partly without a certificate.

(5) The directors have power to take such steps as they think fit in relation to—

(a) the evidencing of and transfer of title to uncertificated shares (including in connection with the issue of such shares) ;

(b) any records relating to the holding of uncertificated shares ;

(c) the conversion of certificated shares into uncertificated shares ; or

(d) the conversion of uncertificated shares into certificated shares.

(6) The company may by notice to the holder of a share require that share—

(a) if it is uncertificated, to be converted into certificated form, and

(b) if it is certificated, to be converted into uncertificated form, to enable it to be dealt with in accordance with the articles.

(7) If —

(a) the articles give the directors power to take action, or require other persons to take action, in order to sell, transfer or otherwise dispose of shares, and

(b) uncertificated shares are subject to that power, but the power is expressed in terms which assume the use of a certificate or other written instrument,

the directors may take such action as is necessary or expedient to achieve the same results when exercising that power in relation to uncertificated shares.

(8) In particular, the directors may take such action as they consider appropriate to achieve the sale, transfer, disposal, forfeiture, re-allotment or surrender of an uncertificated share or otherwise to enforce a lien in respect of it.

(9) Unless the directors otherwise determine, shares which a member holds in uncertificated form must be treated as separate holdings from any shares which that member holds in certificated form.

(10) A class of shares must not be treated as two classes simply because some shares of that class are held in certificated form and others are held in uncertificated form.

PARTLY PAID SHARES

Company's
Lien Over
Partly Paid
Shares.

49.—(1) The company has a lien (“the company’s lien”) over every share which is partly paid or any part of—

- (a) that share’s nominal value, and
- (b) any premium at which it was issued,

which has not been paid to the company, and which is payable immediately or at some time in the future, whether or not a call notice has been sent in respect of it.

(2) The company’s lien over a share—

- (a) takes priority over any third party’s interest in that share, and
- (b) extends to any dividend or other money payable by the company in respect of that share and (if the lien is enforced and the share is sold by the company) the proceeds of sale of that share.

(3) The directors may at any time decide that a share which is or would otherwise be subject to the company’s lien shall not be subject to it, either wholly or in part.

Enforcement
of the
Company’s
Lien.

50.—(1) Subject to the provisions of this article, if—

- (b) the person to whom the notice was given has failed to comply with it, the company may sell that share in such manner as the directors decide.

(2) A lien enforcement notice—

- (a) may only be given in respect of a share which is subject to the company’s lien, in respect of which a sum is payable and the due date for payment of that sum has passed ;
- (b) must specify the share concerned ;
- (c) must require payment of the sum payable within 14 days of the notice ;
- (d) must be addressed either to the holder of the share or to a person entitled to it by reason of the holder’s death, bankruptcy or otherwise ; and
- (e) must state the company’s intention to sell the share if the notice is not complied with.

B 2493

(3) Where shares are sold under this article—

(a) the directors may authorise any person to execute an instrument of transfer of the shares to the purchaser or a person nominated by the purchaser, and

(b) the transferee is not bound to see to the application of the consideration, and the transferee's title is not affected by any irregularity in or invalidity of the process leading to the sale.

(4) The net proceeds of any such sale (after payment of the costs of sale and any other costs of enforcing the lien) must be applied—

(a) first, in payment of so much of the sum for which the lien exists as was payable at the date of the lien enforcement notice,

(b) second, to the person entitled to the shares at the date of the sale, but only after the certificate for the shares sold has been surrendered to the company for cancellation or a suitable indemnity has been given for any lost certificates, and subject to a lien equivalent to the company's lien over the shares before the sale for any money payable in respect of the shares after the date of the lien enforcement notice.

(5) A statutory declaration by a director or the company secretary that the declarant is a director or the company secretary and that a share has been sold to satisfy the company's lien on a specified date—

(a) is conclusive evidence of the facts stated in it as against all persons claiming to be entitled to the share, and

(b) subject to compliance with any other formalities of transfer required by the articles or by law, constitutes a good title to the share.

51.—(1) Subject to the articles and the terms on which shares are allotted, the directors may send a notice (a “call notice”) to a member requiring the member to pay the company a specified sum of money (a “call”) which is payable in respect of shares which that member holds at the date when the directors decide to send the call notice. Call Notices.

(2) A call notice—

(a) may not require a member to pay a call which exceeds the total sum unpaid on that member's shares (whether as to the share's nominal value or any amount payable to the company by way of premium) ;

(b) must state when and how any call to which it relates it is to be paid ; and

(c) may permit or require the call to be paid by instalments.

(3) A member must comply with the requirements of a call notice, but no member is obliged to pay any call before 14 days have passed since the notice was sent.

(4) Before the company has received any call due under a call notice the directors may—

- (a) revoke it wholly or in part, or
- (b) specify a later time for payment than is specified in the notice, by a further notice in writing to the member in respect of whose shares the call is made.

Liability to
Pay Calls.

52.—(1) Liability to pay a call is not extinguished or transferred by transferring the shares in respect of which it is required to be paid.

(2) Joint holders of a share are jointly and severally liable to pay all calls in respect of that share.

(3) Subject to the terms on which shares are allotted, the directors may, when issuing shares, provide that call notices sent to the holders of those shares may require them—

- (a) to pay calls which are not the same, or
- (b) to pay calls at different times.

When Call
Notice Need
Not be
Issued.

53.—(1) A call notice need not be issued in respect of sums which are specified, in the terms on which a share is issued, as being payable to the company in respect of that share (whether in respect of nominal value or premium)—

- (a) on allotment ;
- (b) on the occurrence of a particular event ; or
- (c) on a date fixed by or in accordance with the terms of issue.

(2) But if the due date for payment of such a sum has passed and it has not been paid, the holder of the share concerned is treated in all respects as having failed to comply with a call notice in respect of that sum, and is liable to the same consequences as regards the payment of interest and forfeiture.

Failure to
Comply
With Call
Notice :
Automatic

54.—(1) If a person is liable to pay a call and fails to do so by the call payment date—

- (a) the directors may issue a notice of intended forfeiture to that person, and
- (b) until the call is paid, that person must pay the company interest on the call from the call payment date at the relevant rate.

(2) For the purposes of this article—

(a) the “call payment date” is the time when the call notice states that a call is payable, unless the directors give a notice specifying a later date, in which case the “call payment date” is that later date ;

(b) the “relevant rate” is—

(i) the rate fixed by the terms on which the share in respect of which the call is due was allotted ;

- (ii) such other rate as was fixed in the call notice which required payment of the call, or has otherwise been determined by the directors ; or
- (iii) if no rate is fixed in either of these ways, the prevailing interest rate as set by the Monetary Policy Committee of the Central Bank of Nigeria.

- (c) must require payment of the call and any accrued interest by a date which is not less than 14 days after the date of the notice ;
- (d) must state how the payment is to be made ; and
- (e) must state that if the notice is not complied with, the shares in respect of which the call is payable will be liable to be forfeited.

56. If a notice of intended forfeiture is not complied with before the date by which payment of the call is required in the notice of intended forfeiture, the directors may decide that any share in respect of which it was given is forfeited, and the forfeiture is to include all dividends or other moneys payable in respect of the forfeited shares and not paid before the forfeiture.

- (c) that person must surrender the certificate for the shares forfeited to the company for cancellation ;

d) that person remains liable to the company for all sums payable by that person under the articles at the date of forfeiture in respect of those shares provided that his liability ceases when the company receives payment in full of all money in respect of the shares ; and

(e) the directors may waive payment of such sums wholly or in part or enforce payment without any allowance for the value of the shares at the time of forfeiture or for any consideration received on their disposal.

(4) At any time before the company disposes of a forfeited share, the directors may decide to cancel the forfeiture on payment of all calls and interest due in respect of it and on such other terms as they think fit.

Forfeiture.

58.—(1) If a forfeited share is to be disposed of by being transferred, the company may receive the consideration for the transfer and the directors may authorise any person to execute the instrument of transfer.

(2) A statutory declaration by a director or the company secretary that the declarant is a director or the company secretary and that a share has been forfeited on a specified date—

(a) is conclusive evidence of the facts stated in it as against all persons claiming to be entitled to the share, and

(b) subject to compliance with any other formalities of transfer required by the articles or by law, constitutes a good title to the share.

(3) A person to whom a forfeited share is transferred is not bound to see to the application of the consideration (if any) nor is that person's title to the share affected by any irregularity in or invalidity of the process leading to the forfeiture or transfer of the share.

(4) If the company sells a forfeited share, the person who held it prior to its forfeiture is entitled to receive from the company the proceeds of such sale, net of any commission, and excluding any amount which—

(a) was, or would have become, payable, and

(b) had not, when that share was forfeited, been paid by that person in respect of that share, but no interest is payable to such a person in respect of such proceeds and the company is not required to account for any money earned on them.

Surrender of
Shares.

59.—(1) A member may surrender any share to the company as a gift.

(2) The directors may accept the surrender of any such share.

(3) The effect of surrender on a share is the same as the effect of forfeiture on that share.

(4) A share which has been surrendered may be dealt with in the same way as a share which has been forfeited.

TRANSFER AND TRANSMISSION OF SHARES

60.—(1) Certificated shares may be transferred by means of an instrument of transfer in any usual form or any other form approved by the directors, which is executed by or on behalf of—

(d) the transfer is in respect of more than one class of share.

(6) If the directors refuse to register the transfer of a share, the instrument of transfer must be returned to the transferee with the notice of refusal unless they suspect that the proposed transfer may be fraudulent.

61. A transfer of an uncertificated share must not be registered if it is in favour of more than four transferees.

Transfer of
Uncertificated
Shares.

62.—(1) If title to a share passes to a transmittee, the company shall recognise the transmittee as having title to that share.

Transmission

(2) Nothing in these articles releases the estate of a deceased member from any liability in respect of a share solely or jointly held by that member.

63.—(1) A transmittee who produces such evidence of entitlement to shares as the directors may properly require—

(3) If the share is an uncertificated share and the transmittee wishes to have it transferred to another person, the transmittee must—

(a) procure that all appropriate instructions are given to effect the transfer, or

(b) procure that the uncertificated share is changed into certificated form and then execute an instrument of transfer in respect of it.

(4) Any transfer made or executed under this article is to be treated as if it were made or executed by the person from whom the transmittee has derived rights in respect of the share, and as if the event which gave rise to the transmission had not occurred.

Transmittees

(5) If the company's share capital is divided into different classes, no interim dividend may be paid on shares carrying deferred or non-preferred rights if, at the time of payment, any preferential dividend is in arrear.

(6) The directors may pay at intervals any dividend payable at a fixed rate if it appears to them that the profits available for distribution justify the payment.

(7) If the directors act in good faith, they do not incur any liability to the holders of shares conferring preferred rights for any loss they may suffer by the lawful payment of an interim dividend on shares with deferred or non-preferred rights.

68.—(1) Except as otherwise provided by the articles or the rights attached to shares, all dividends must be—
